AGRO LOGIC  **FARMING FORWARD**

Our all-round FarmTrak™ F-Tread series boots combine lightweight construction with improved durability, to provide heavy-duty waterproof protection.

POLYURETHANE LIGHT BOOT

The FarmTrak™ F-Tread LB1 is the non-safety version of our heavy-duty polyurethane work boot.

Designed for the seasoned farmer and aimed at intensive agricultural use, the F-Tread LB1 is a lightweight, flexible and extremely hard-wearing boot.

Our all-round Light Boot complies with EN ISO 20347 standards, which covers Personal Protective Equipment for Occupational Footwear.

ALL-PURPOSE

Providing optimal grip and comfort, the heavy-duty F-Tread LB1 can be worn all-day, everyday. Light, but strong, it is proven daily under modern farming conditions.

ALL-WEATHER

A fully waterproof moulded seal and durable dual-density outer sole, make the F-Tread LB1 suitable for challenging conditions; severe wet weather, dry rocky environments or proximity to fire.

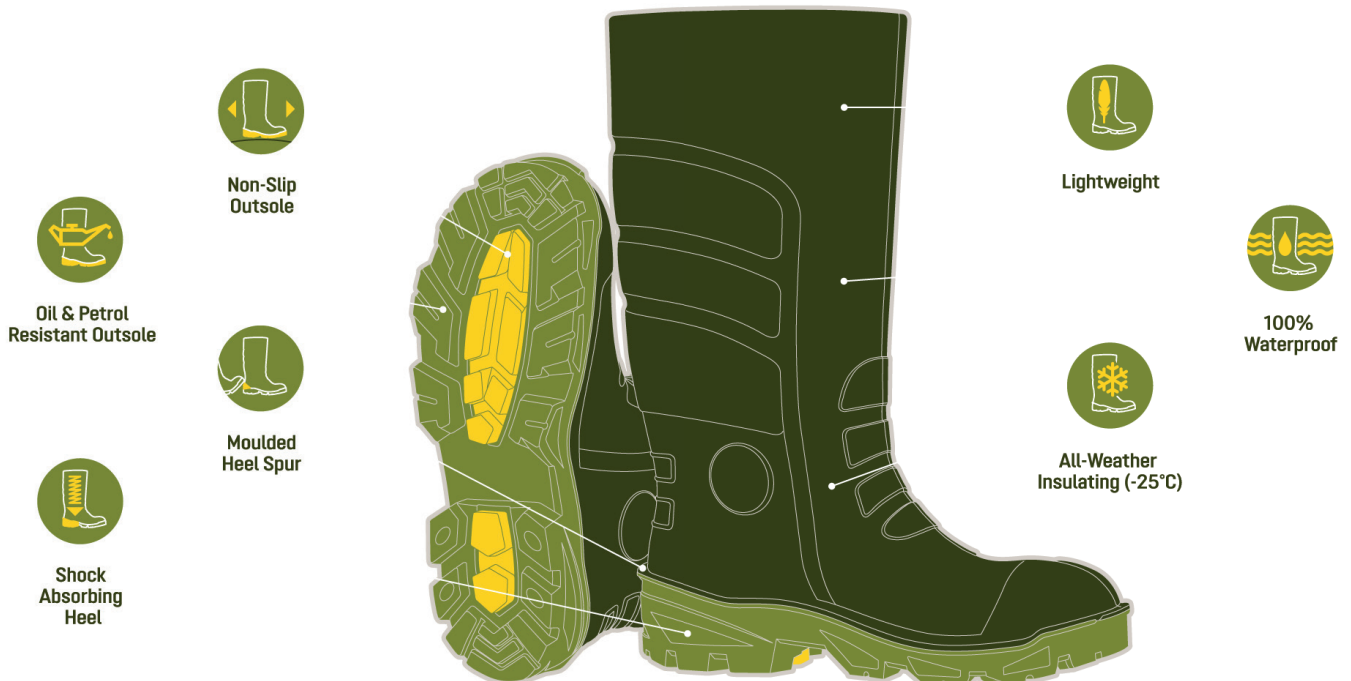

ALL-SEASON

Due to the insulating properties of the polyurethane materials and construction, the F-Tread LB1 can be worn all year round. Warm in winter yet cool enough to be worn in summer, these boots truly are The Farmer's Choice.

FEATURES

*LASTS UP TO THREE TIMES LONGER THAN RUBBER OR PVC BOOTS

- Injection moulded laminated construction
- Moulded ankle protection & strengthening ribs
- F-Tread sole pattern with mud-release properties
- Smooth and easy to clean surfaces
- Antibacterial treated insoles included as standard (Moisture absorbing insole, Breathable, Washable, Cushioned)

Our all-round FarmTrak™ F-Tread series boots combine lightweight construction with improved durability, to provide heavy-duty waterproof protection.

POLYURETHANE SAFETY BOOT

Based on our Light Boot model, the FarmTrak™ F-Tread SB1 is the full-safety version of our heavy-duty polyurethane work boot, enhanced with a steel toe cap and midsole protection.

Designed for the seasoned farmer and aimed at intensive agricultural use, the F-Tread SB1 is a lightweight, flexible and extremely hard-wearing boot.

Our all-round Safety Boot complies with EN ISO 20347 and EN ISO 20345. S5 standards, which covers Personal Protective Equipment for Occupational Footwear & Safety Footwear.

ALL-PURPOSE SAFETY

Providing comfort and safety protection, the heavy-duty F-Tread SB1 can be worn all-day, everyday. Light, but strong, it is proven daily under modern farming conditions.

ALL-WEATHER SAFETY
